I don't want a lot for Christmas  
There is just one thing I need  
I don't care about the presents  
Underneath the Christmas tree

I just want you for my own  
More than you could ever know  
Make my wish come true  
All I want for Christmas is you, baby

You, baby

I don't need to hang my stocking  
There upon the fireplace  
Santa Claus won't make me happy  
With a toy on Christmas day

I just want you for my own  
More than you could ever know  
Make my wish come true  
All I want for Christmas is you, baby

All the lights are shining  
So brightly everywhere  
And the sound of childrens'  
Laughter fills the air

And everyone is singin'  
I hear those sleigh bells ringin'  
Santa won't you bring me  
The one I really need?

Oh, bring my baby to me

I don't want a lot for Christmas  
This is all I'm askin' for  
I just wanna see my baby  
Standing right outside my door

I just want him for my own  
More than you could ever know  
Make my wish come true

All I want for Christmas is you, baby

You, baby

You, baby

You
