I finally asked you dance on the last slow song,
Beneath that moon that was really a disco ball,
I can still feel my head on your shoulder,
And hoping that song would never be over.

I haven't seen you in ages,
Sometimes I find myself wondering where you are,
For me you'll always be eighteen,
And beautiful, and dancin' away with my heart.

I brushed your curls back so I could see your eyes,
And the way you moved me was like you were reading
my mind,
I can still feel you leaning to kiss me,
I can't help but wonder if you ever miss me.

I haven't seen you in ages,
Sometimes I find myself wondering where you are,

For me you'll always be eighteen,
And beautiful, and dancin' away with my heart.

You headed off to college at the end of that summer
and we lost touch,
I guess I didn't realize even at the moment I lost so
much.

I haven't seen you in ages,
Sometimes I find myself wondering where you are,
For me you'll always be eighteen,
And beautiful, and dancin' away with my heart.

Na, na, na, na,
Na, na, na, na,
Na, na, na, na,
Away with my heart.
Na, na, na, na,
Na, na, na, na,
Na, na, na, na.
