I finally asked you to dance on the last slow song
Beneath that moon that was really a disco ball
I can still feel my head on your shoulder
And hoping that song would never be over

I haven't seen you in ages
Sometimes I find myself wondering where you are
For me you'll always be eighteen and beautiful
And dancing away with my heart

I brushed your curls back so I could see your eyes
And the way you moved me was like you were reading
my mind
I can still feel you lean in to kiss me
I can't help but wonder if you ever miss me

I haven't seen you in ages
Sometimes I find myself wondering where you are

For me you'll always be eighteen and beautiful
And dancing away with my heart

You headed off to college at the end of that summer
And we lost touch
I guess I didn't realize even at the moment we lost so
much

I haven't seen you in ages
Sometimes I find myself wondering where you are
For me you'll always be eighteen and beautiful
And dancing away with my heart

Nah nah nah nah (x3)

Away with my heart

Nah nah nah nah (x3)
