Well, All the parties on the streets are talking
Store front manequin sleepin in the lights
We used to smoke while we were jay-walking
Like it was your birthday every other Saturday night
Knew the band so we never paid our cover
Wrote our names on the bathroom tiles
We never dress to impress all the others
They would let us in on our laid back kinda style
But boy you know its been awhile

I don't know why you don't take me downtown
Like you got anywhere better to be
Talk it up and give me the go round round
Like a good time tease
I'm only counting on your cancellation
When I should be counting on you at my door
Did you forget about how we ran around
I don't know why you don't take me downtown anymore

Oh, Oh anymore

I got some platforms sitting in the corner
They wanna stroll on a city side walk
I got a dress that'll show a little UH UH
But you ain't gettin' UH UH
If you don't come pick me up
Shoe me off
You might be tired but I'm not

I don't know why you don't take me downtown
Like you got anywhere better to be
Talk it up and give me the go round round
Like a good time tease
I'm only counting on your cancellation
When I should be counting on you at my door
Did you forget about how we ran around
I don't know why you don't take me downtown anymore
(Repeat)

I just don't get it!
