Oh Emily,  
I'm still out here chasing all my dreams  
Oh Emily,  
What I'd give to have you here with me  
To look into those green eyes  
And wake up with the sunrise, in your arms

But always know, that wherever I go  
There's a piece of your heart  
That I keep in my soul, and never doubt  
I'm the same man that loved you back home  
And knowing that you're waiting, believing and praying  
Is what keeps me going on

Oh Emily,  
Tell your folks I hope they're doing fine  
Oh Emily,  
I just called to hear your voice tonight,  
Girl I miss you so much,  
And before we hang up, remember this

Always know, that wherever I go  
There's a piece of your heart  
That I keep in my soul, and never doubt  
I'm the same man that loved you back home  
And knowing that you're waiting, believing and praying  
Is what keeps me going on

That's right  
Yeah keeps me going on, yeah

Always know, that wherever I go  
There's a piece of your heart  
That I keep in my soul, and never doubt  
I'm the same man that loved you back home  
And knowing that you're waiting,  
Knowing that I'm waiting  
Believing and praying  
Keep believing and praying  
And all the dreams I'm chasing  
Is what keeps me going on
