I finally found  
What carries me  
As sure as the sound  
Of harmony  
And what I wanna say is

Wake me up in the morning  
Tossing and turning  
Cause I don't want to waste another day  
I thank the stars up above me  
Cause knowing she loves me  
I'm dying as happy as I can be

So baby whatcha got  
I can't get enough  
I ain't never gonna give you up  
Oh girl

In times like these  
With a love like mine  
Some where in deep  
Oh and so much harder to find  
And what I wanna say is

Wake me up in the morning  
Tossing and turning  
Cause I don't want to waste another day  
I thank the stars up above me  
Cause knowing she loves me  
I'm dying as happy as I can be

Say that you'll be with me  
Till we reach the end of time  
(till the end of time)  
Oh forever will have plenty  
I'm so glad that I'm alive  
(glad that I'm alive)

Oh, wake me up in the morning  
Tossing and turning  
Cause I don't want to waste another day

I thank the stars up above me  
Cause knowing she loves me  
And I am as happy as I can be

So, wake me up in the morning  
Tossing and turning  
Cause I don't want to waste another day  
I thank the stars up above me  
Cause lord ain't she lovely  
And I am as happy as I can be

So, baby whatcha got  
I can't get enough  
I ain't never gonna give you up  
Oh, girl  
So, baby whatcha got  
I can't get enough  
I ain't never gonna give you up  
Oh, girl

Oh, no no  
There ain't no way
