Lyin' here with you so close to me  
It's hard to fight these feelings when it feels so hard to  
breathe  
I'm caught up in this moment, caught up in your smile

I've never opened up to anyone  
So hard to hold back when I'm holding you in my arms  
We don't need to rush this, let's just take it slow

Just a kiss on your lips in the moonlight  
Just a touch of the fire burning so bright  
And I don't want to mess this thing up  
No, I don't want to push too far

Just a shot in the dark that you just might  
Be the one I've been waiting for my whole life  
So baby, I'm alright with just a kiss goodnight

I know that if we give this a little time  
It'll only bring us closer to the love we wanna find  
It's never felt so real, no, it's never felt so right

Just a kiss on your lips in the moonlight  
Just a touch of the fire burning so bright  
No, I don't want to mess this thing up  
I don't want to push too far

Just a shot in the dark that you just might  
Be the one I've been waiting for my whole life  
So baby, I'm alright with just a kiss goodnight

No, I don't want to say goodnight  
I know it's time to leave  
But you'll be in my dreams  
Tonight, tonight, tonight

Just a kiss on your lips in the moonlight  
Just a touch of the fire burning so bright  
And I don't want to mess this thing up  
I don't want to push too far

Just a shot in the dark that you just might

Be the one I've been waiting for my whole life  
So baby, I'm alright

Oh, let's do this right with just a kiss goodnight  
With a kiss goodnight, kiss goodnight
