Well this heart of mine  
Has been hardened like a stone  
It might take some time  
To get back what is gone  
But I'm movin' on  
And you don't haunt my dreams  
Like you did before  
When I would curse your name

Hey

Well I heard the news  
That you were back in town  
Just passin' through  
To claim your lost and found

But I'm over you  
And there ain't nothin' that  
You could say or do  
To take what you did back

Well you got nerve to waltz right in  
And think what's mine is yours again

Cuz I've been doin' fine without you  
Forgettin' all the love we once knew  
And girl I ain't the one who slammed that door  
But now you say you've changed your thinkin'  
But I ain't got a heart for breakin'  
So go and pick your bags up off my floor  
Ooh Cuz love don't live here anymore

Oooh no

Well baby you can try  
To tell me how it is  
And try to justify  
Everything you did

But honey I'm no fool  
Ooh And I've been down this road

Too many times with you  
I think it's best you go

Well I got one thing left to say  
Is you can lay in the bed you've made

Cuz I've been doin' fine without you  
Forgettin' all the love we once knew oh  
And girl I ain't the one who slammed that door  
woah sugar no  
But now you say you've changed your thinkin'  
But I ain't got a heart for breakin'  
So go and pick your bags up off my floor  
ooh Cuz love don't live here anymore

Ooh no

That love dont live here anymore

Ooh no no

Sugar no no

You don't live here anymore

Love don't live here anymore  
Since you walked out of my door  
Love don't live here  
Love don't live here girl

Oh love don't live here anymore
