She's no good for me  
I know that shes  
a wildflower

She's got a restlessness  
a beautifulness  
thing about her

But here I am again  
callin her back  
lettin her drive me crazy

Chorus:  
It's like I love this pain  
a little too much  
love my heart all busted up  
somethin bout her  
it just don't work  
but I can't walk away  
it's like I love this pain

It's just an on again  
and off again  
situation  
It's a strikin match  
a tank of gas  
combination

But here I am again  
lightin it up  
knowin that she'll just burn me

Chorus

Its like I love this lie  
but nothings right  
and somethings wrong  
Its like Im just not me  
if I cant be  
a sad sad song

Chorus

Oh yeah  
its like I love this pain  
I cant walk away  
oh no  
its like I love this pain
