Last time I saw you I was fueling up
At our old favorite coffee shop
Then you walked up, I tried to hide behind my cup.
Made me say, 'how you've been doing?'
I gave you the typical line, 'I've been fine!'

But I was lying, dying, yeah
I was a kid in love,
You rocked me then and it still does, cause

Chorus:
Ain't nothing like a first time
Nothing like the first smile
Looking at you seeing forever
Keeps me going till the last mile
And I held on like crazy
Until our goodbye baby
I still miss you lately
Ain't nothing like the first time !
Ain't nothing like the first time, yeah!

I remember you stole my breath
Underneath the stadium steps.
Now I'm walking around the block
Ten years later knock, knock, knock
Knocking on these memories
Flooding back of you and me
When love was free,
And we were shining and flying, yeah
But I didn't understand
I had it right there in my hands, yeah!

Chorus:
Ain't nothing like a first time
Nothing like the first smile
Looking at you seeing forever
Keeps me going till the last mile
And I held on like crazy
Until our goodbye baby
I still miss you lately
Ain't nothing like the first time !

Ain't nothing like the first time, yeah!
First time!

Never get it back again,
But I still remember when
First time, first time!
There's a magic in the way
You will always stay!

Chorus:
Oh, oh, ain't nothing like a first time
Nothing like the first smile
Looking at you seeing forever
Keeps me going till the last mile
And I held on like crazy
Until our goodbye baby
I still miss you lately
Ain't nothing like the first time !
Ain't nothing like the first time, yeah!

'There's a magic in the way!'
You will always say.
'There's a magic in the way!'
You will always say.
