Silent night, Holy night
All is calm, all is bright
Round yon Virgin Mother and Child
Holy Infant so tender and mild
Sleep in Heavenly peace
Sleep in Heavenly peace
Silent night (Lord of my life), Holy night (I sing to you)
Shepherds quake (be with us now) at the sight (this
Christmas night)
Glories stream from Heaven afar (let all become)
Heavenly hosts sing Hallelujah (and hearts be light)
Christ, the Savior is born
Christ, the Savior is born
Silent night (oh Lord of light), Holy night (praising your
birth)
Son of God (light up my heart), love's pure light
(shine down your grace)
Radiant beams from thy Holy face (to see the world)
With the dawn of redeeming grace (to you we dream)
Jesus, Lord, at thy birth
Jesus, Lord, at thy birth
Silent night, Holy night
