Girls in their heels and a skinny pair of blue jeans
Boys in black pearl buttons looking just like Springsteen
Mama says why you wanna play in a silly rock 'n' roll
band

Well, if you stood here mama, I know you'd
understand, yeah

It's the lights, it's the high
It's the roar of a crowd on a Friday night
And everybody's screaming out, yeah, yeah, yeah
And everybody sing it out, yeah, yeah, yeah

Get on your feet if it feels good, it feels right
'Cause we're all stars tonight
So sing it out, yeah, yeah, yeah, hey, hey

Let's get a little rowdy, gonna party all night long
And boys sway with your girls when we play a little slow
song
Put your hands in the air, shine a lighter or a cell phone

You better buy another round, we ain't going home

On the floor, in the stands
Tonight we're all in the band
And we're screaming out, yeah, yeah, yeah
And everybody sing it out, yeah, yeah, yeah

Get on your feet if it feels good, it feels right
'Cause we're all stars tonight
So sing it out, yeah, yeah, yeah

Everybody's screaming out, yeah, yeah, yeah
Everybody sing it out, yeah, yeah, yeah
And everybody scream it out, yeah, yeah, yeah
And everybody sing it now, yeah, yeah, yeah

Get on your feet if it feels good, it feels right
'Cause we're all stars tonight
So sing it out, yeah, yeah, yeah, hey, hey

Yeah, yeah, yeah, hey, hey

Whoa, yeah
