I paid my dues
Besides the stuff I save for you
For you
I paid my dues
Besides the stuff I save for you
For you

Leavin' a mark where you shouldn't have
Think I've gone mad (mad mad)

I've paid my dues
Besides the stuff I save for you
For you

I'm puttin it all down
You gotta believe me this time
I'm a tired a magician
Keeping my hands in resign
I see that you're doin' fine
Please nothing else for my mind
So grateful
So grateful

Beyond the road
Away from city lights I go
I go
I carve your name
In stone, and trees, and clouds the same
Your name

Leavin a mark where I shouldn't have
Think I've gone mad

I'm puttin it all down
You gotta believe me this time
I'm a tired a magician
Keeping my hands in resign
I see that you're doin' fine
Please nothing else for my mind
So grateful
So grateful

So grateful
So grateful
Oooooo oooooh aaah
So grateful
Oooooo oooooh aaah
So grateful
Oooooo oooooh aaah
So grateful
Oooooo oooooh aaah
So grateful
