Well, well, well  
Here we are, me and you  
Shoop shoop, me and you

Well, well, well  
Singing like we used to do  
Do wah ditty ditty

Do you remember the sweet sounds  
Do you remember the good times  
Do you remember how it  
Used to be so fine (so fine)  
You forget about the time

(CHORUS)

When we were street singing  
We were beauties in the night  
We were sweet street singing  
With the future looking bright

I'll remember street singing  
For the rest of my life

Hey, hey, hey  
Sure and we was nobody's fool  
No, no, nobody's fool

Hey, hey, hey  
Always playing super cool  
Supe, supe, super cool

Do you remember the old days  
Singing down in the subways  
Do you remember how we  
Used to sound so fine (so fine)  
And we didn't have a dime

(CHORUS)

Do lang, do lang, do lang  
Shoo bop, shoo bop  
Do lang, do lang, do lang

Shoo bop, shoo bop  
Do lang, do lang, do lang

I'll remember street singing  
For the rest of my life

Oooh, remember, oooh

Street singing, street singing  
Street singing, do lang, do lang  
Do lang, do lang, do lang  
Street singing, street singing  
Street singing, papa oom mow mow  
Papa oom mow mow...
