I met a girl in east L.A.
In floral shorts as sweet as may

She sang in eights in two Barrio chords
We fell in love
But not in court

La la la la la la (x6)

Ahhhhh -americaaaa americanoooo (x2)

Mis canciones son de la revolucion
Mi corazÃ³n me duele por mi generaciÃ³n

If you love me
We can marry
On the west coast

On a wednesday
En un verano
En agosto

I don't speak your
I don't speak your
Languagone

La la la la la la la

I don't speak your (won't speak your)
I won't speak your (won't speak your)
Jesus Christo

La la la la la la la

Ahhhhh -americaaaa americanoooo (x2)

I will fight for
I have fought for
How I love you

La la la la la la la

I have cried for
I will die for
How I care

La la la la la la la

In the mountains
Las campanas
Están sonando

La la la la la la la

Todos los chicos (chicas)
Y los chicos (chicas)
están besando

La la la la la la la

I don't speak your
I don't speak your
Languagone

La la la la la la la

I don't speak your
I won't speak your
Jesus Christo

La la la la la la la

I don't speak your (won't speak your)
I don't speak your (won't speak your)
Languagone

La la la la la la la

I don't speak your (won't speak your)
I won't speak your (won't speak your)
Jesus Christo

La la la la la la la

Ahhhhh -americaaaa americanoooo (x4)

Don't you try to catch me
Don't you try to catch me

no no no no

I'm living on the edge of
I'm living on the edge of the

Law law law law

Don't you try and get me
Don't you try and get me

no no no no

Don't you try to catch me
I'm living on the edge of the
Law law law law
