You have got a wild side  
You're an animal tonight  
I see that you are my type  
Wild like a tiger hunting the prey  
We'll keep the neighbours up all night  
Hot in the jungle exotic apparel

I can see the way that you're looking at me  
Like you're hungry and I am the only thing that you see  
Won't tame you love the way you're watching me

Baby i'll keep you up all night  
Gotta tie you up incase you bite  
Animal animal  
Animal animal  
Baby i'ma lock you in my cage  
And I won't stop until you behave  
Animal animal  
Animal animal  
Baby i'm gonna keep you up all night  
Like an animal animal  
An animal animal  
I'm gonna tie you up incase you bite  
I'm an animal animal  
An animal animal

I don't mean to blame you i'm just trying to tame you  
You're an animal animal  
An animal animal  
I don't mean to blame you i'm just trying to tame you  
You're an animal animal  
An animal animal

You're a hunter feel your way  
I'll do whatever you say  
Hold me down and take control (mess up my hair all  
crazy sexual)  
Do it like an animal (hot in the jungle exotic apparel)

I can see the way that you're looking at me  
Like you're hungry and I am the only thing that you see  
Won't tame you love the way you're watching me

Baby i'll keep you up all night

Gotta tie you up incase you bite

Animal animal

Animal animal

Baby i'ma lock you in my cage

And I won't stop until you behave

Animal animal

Animal animal

Baby i'm gonna keep you up all night

Like an animal animal
