We could, we could belong together
We could, we could go on forever

We could, we could belong together
We could, we could go on forever (and ever)

I'm an artist, I assign to things that are popular
I place a new meaning on that which already exist
An hybrid can whitstand these things, my heart can
beat
My ARTPOP could mean anything

We could, we could belong together
We could, we could go on forever

We could, we could belong together
We could, we could go on forever (and ever)

My ARTPOP is life (l-l-l-life) and I told my life (l-l-l-life)
We could belong together in a pop paradise (p-p-p-
paradise)
In a summer paradise (p-p-p-paradise) It's ARTPOP,
baby, it's ARTPOP
(A-A-A-ARTPOP)
I love you, but you love me!

We could, we could belong together
We could, we could go on forever

We could, we could belong together
We could, we could go on forever (and ever)

This is the artists revolution, always thinking we have
the solution
But baby we're living a life of delusion, it's ARTPOP (AR-
AR-AR Gaga POP)
Music ARTPOP baby (M-M-M-Music)
ARTPOP baby like a phsyco warhol paiting
(M-M-M-Music) ARTPOP baby

Go fucking crazy

(Love my life)
(Love your life)
(I'm ready, Gaga)

We could, we could belong together
We could, we could go on forever

We could, we could belong together
We could, we could go on forever (and ever)

We could, we could belong together
We could, we could go on forever

We could, we could belong together
We could, we could go on forever (and ever)
