She's looking me right in the eyes,
Never knew she looked so fine,
Glamorous girls you see,
They're not as good as you think,

Here's a story I will tell,
The girl in me she's just like hell;
Get with me I'll show you why,
'Cause no, I'm not so fine...

I'm the bitch you never wanna meet,
I'm that kiss that makes you sneeze,
I'm that girl with all those curls
My face is red, I'm Bloody Mary.
As red as blood can be, I'm that girl you see,
You don't wanna see,
The angry side of me.

Get with me I'll show you,
What it feels like;
Scratch scratch; it's my nature
Sorry if you get hurt, my bad,
I can't resist mr. platinum.

I'm the bite on your neck,
Reaching for that better half,
I'm the one your scared of,
Buy me drinks or your a dead man.

Hey, I can't help it baby,
Always under pressure,
Tranna do my best, best, best, best,
Alright..

I'm the bitch you never wanna meet,
I'm that kiss that makes you sneeze,

I'm that girl with all those curls
My face is red, I'm Bloody Mary.
As red as blood can be, I'm that girl you see,
You don't wanna see,
The angry side of me.

I'm coming to a sorrow close,
Half dead washin' my clothes,
Blood stains red as hell;
You shoulda thought twice I tell,
Baby don't dance with me,
'Cause if you do your coming home with me,
You don't wanna be by my side,
'Cause you see that I'm the,
See that...

I'm the bitch you never wanna meet,
I'm that kiss that makes you sneeze,
I'm that girl with all those curls
My face is red, I'm Bloody Mary.
As red as blood can be, I'm that girl you see,
You don't wanna see,
The angry side of me.

I'm the bitch you never wanna meet,
I'm that kiss that makes you sneeze,
I'm that girl with all those curls
My face is red, I'm Bloody Mary.
As red as blood can be, I'm that girl you see,
You don't wanna see,
The angry side of me.
