In your brown eyes I walked away  
In your brown eyes I couldn't stay  
In your brown eyes you'll watch her go  
Then turn the record on and wonder what went wrong  
What went wrong

If everything was everything but everything is over  
Everything could be everything if only we were older  
I guess it's just a silly song about you  
And how I lost you and your brown eyes

In your brown eyes I was feeling low  
'Cause they're brown eyes and you never know  
Got some brown eyes but I saw her face  
I knew that it was wrong  
So baby, turn the record on, play that song  
Where everything was everything but everything is  
over  
Everything could be everything if only we were older  
I guess it's just a silly song about you  
And how I lost you and your brown eyes, brown eyes

Everything was everything but baby, it's the last show  
Everything could be everything but it's time to say  
goodbye, so  
Get your last fix and your last hit  
Grab your old girl with her new tricks  
Honey yeah, it's no surprise that I got lost in your brown  
eyes

In your brown eyes, brown, brown eyes  
Your brown eyes, brown, brown eyes  
Got some brown eyes, brown, brown eyes  
Your brown eyes
