One look and I'm done  
One glance from your eyes  
And I'm captivated

The taste of your skin  
The warmth of your hungry lips  
Has me so taken and I  
Love the way you can make me dance  
From miles away

When I'm with you I'm so sedated  
I'm captivated by you

You're just like the wind 'cuz  
Everything moves away when you're around it

The sun is just like the sound of  
your voice in the morning  
When you light my world up and I  
Love the way you can make me dance From miles away

When I'm with you I'm never jaded,  
I'm captivated

Oh,  
I'll never stop believing  
In this crazy love we're leading  
Oh, sugar,  
Hold me closer,  
Make me sweeter,  
I need ya,  
I love you

So, please, show me that smile  
Make me laugh for just a little while  
Then breathe me one breath  
I only need one to fill the emptiness

Love the way you can make me dance  
From miles away  
It's been so long but now,  
I've waited and I'm captivated
