Silicone, saline, poison
Inject me and baby Iâ€™m a free bitch
Baby Iâ€™m a free bitch
Silicone, saline, poison
Inject me and baby Iâ€™m a free bitch
Baby Iâ€™m a free bitch

Some girls wonâ€™t dance to the bit of the drive
She wonâ€™t walk away, but she wonâ€™t look back
She looks good but her boyfriends says sheâ€™s a mess
Sheâ€™s a mess, sheâ€™s a mess,
Now the girl is stressed
Sheâ€™s a mess, sheâ€™s a mess,
Now the girl is stressed
Sheâ€™s a mess, sheâ€™s a mess, sheâ€™s a mess, sheâ€™s
a mess,

She looks good but her boyfriends says sheâ€™s a mess
Sheâ€™s a mess, sheâ€™s a mess,
Now the girl is stressed
Sheâ€™s a mess, sheâ€™s a mess,
Now the girl is stressed
Sheâ€™s a mess, sheâ€™s a mess, a mess, a mess

She looks good but her boyfriends says sheâ€™s a tramp
Sheâ€™s a tramp, sheâ€™s a vamp
But she still does her dance,
Sheâ€™s a tramp, sheâ€™s a vamp
But she still does her dance,
Sheâ€™s a tramp, sheâ€™s a vamp, a vamp

She looks good but her boyfriends says sheâ€™s a mess
Sheâ€™s a mess, sheâ€™s a mess,
But the girl is stressed
Sheâ€™s a mess, sheâ€™s a mess,
Now the girl is stressed
Sheâ€™s a mess, sheâ€™s a mess, a mess, a mess

She looks good but her boyfriends says sheâ€™s a tramp
Sheâ€™s a tramp, sheâ€™s a vamp
But she still does her dance,

She's a tramp, she's a vamp
But she still does her dance,
She's a tramp, she's a vamp, a vamp

She looks good but her boyfriends says she's a mess
She's a mess, she's a mess,
But the girl is stressed
She's a mess, she's a mess,
Now the girl is stressed
She's a mess, she's a mess, a mess, a mess

She looks good but her boyfriends says she's a tramp
She's a tramp, she's a vamp
But she still does her dance,
She's a tramp, she's a vamp
But she still does her dance,
She's a tramp, she's a vamp,

Make it stop!
Make it stop!

Caroline, Judy, Sylvia,
Tell 'em how you feel girls
Work your blonde (Jean) Benet Ramsey
Grant you a heart like Liberace
Find your freedom in the music,
Find your Jesus, find your kubrick
You will never fall apart Diana,
You're stuck in our hearts
We'll never let you fall apart
Together 1, together 1, together 1, together 1
Together 1, together 1, together 1, together 1

Baby loves to dance in the dark
Cause when he's lookin'
She falls apart
Baby loves to dance in the dark

She looks good but her boyfriends says she's a mess
She's a mess, she's a mess,
But the girl is stressed
She's a mess, she's a mess,
Now the girl is stressed
She's a mess, she's a mess, a mess, a mess

She looks good but her boyfriends says she's a tramp
She's a tramp, she's a vamp
But she still does her dance,
She's a tramp, she's a vamp
But she still does her dance,
She's a tramp, she's a vamp,

She looks good but her boyfriends says she's a mess
She's a mess, she's a mess,
But the girl is stressed
She's a mess, she's a mess,
Now the girl is stressed
She's a mess, she's a mess, a mess, a mess

She looks good but her boyfriends says she's a tramp
She's a tramp, she's a vamp
But she still does her dance,
She's a tramp, she's a vamp
But she still does her dance,
She's a tramp, she's a vamp,

Make it stop
