(You know what I like)  
(Know-Know I-I)

Do it.  
(Do it, do it)

Feel like getting dirty now,  
1, 2, 3 - My pants are down.  
Not gonna reason, you're gonna do, whatever I like.  
'Cause I'm happy as a clam tonight.

I want everything, baby.  
Everything, baby.  
You know what I like. (You know what I like)

I need everything, baby.  
Everything, baby.  
And you're doing me right.

When you're out with all your friends,  
And you got money to spend  
Do me right-right  
Do me right-right  
Do me right(do it, do it)

-...I don't wanna  
In the club, or in the corner.  
Do me right-right  
Do me right-right  
Do me right(do it, do it)

Lick me, slap me, do it, do it.  
Do me right, there's nothing to it.

It's 'bout time you ice my cake.  
Wants someone who milks my shake  
Want to arrest me? Don't interest me, with your talk.  
Happiness is a loaded gun.

I want everything, baby.  
Everything, baby.  
You know what I like. (You know what I like)

I need everything, baby.  
Everything, baby.  
And you're doing me right.

When you're out with all your friends,  
And you got money to spend  
Do me right-right  
Do me right-right  
Do me right(do it, do it)

... I don't wanna  
In the club, or in the corner.  
Do me right-right  
Do me right-right  
Do me right(do it, do it)  
When you're out with all your friends,  
And you got money to spend  
Do me right-right  
Do me right-right  
Do me right(do it, do it)

... I don't wanna  
In the club, or in the corner.  
Do me right-right  
Do me right-right  
Do me right(do it, do it)

Lick me, slap me, do it, do it.  
Do me right, there's nothing to it.

Lick me, slap me, do it, do it.  
Do me right, there's nothing to it.

(Lady Gaga)  
I want you in my bed, alright?  
Can't sleep without my fix tonight.

It's not polite or lady like  
Can't sleep without my fix tonight.

Do it right, do it right, do it right,  
Do me right. Do me right.

(Right)

When you're out with all your friends,  
And you got money to spend  
Do me right-right  
Do me right-right  
Do me right(do it, do it)

Â... I don't wanna  
In the club, or in the corner.  
Do me right-right  
Do me right-right  
Do me right(do it, do it)

When you're out with all your friends,  
And you got money to spend  
Do me right-right  
Do me right-right  
Do me right(do it, do it)

Â... I don't wanna  
In the club, or in the corner.  
Do me right-right  
Do me right-right  
Do me right(do it, do it)

Lick me, slap me, do it, do it.  
Do me right, there's nothing to it.

Lick me, slap me, do it, do it.  
Do me right, there's nothing to it
