what if i were to leave you
but then you fell back in love with me

how could you ever let me go
how could you ever ever let me go
i scream your name across the bar
i carry pictures of your
neil young
guitar
though i just cant seem to forget you
not ever just as long as i left you
your my baby, you
never made it through to you

if i were the last girl
and you were the last boy
left here on this planet
if there was an earth quake
maybe then youd love
maybe then youd love me
last girl
and you were the last boy
left here on this planet
if there was an earthquake
maybe then youd love maybe then youd love me
if there was an earthquake

how could you ever let me go
how could you ever ever let me go
i scream your name across the bar
i carry pictures of your

neil young
guitar
though i just cant seem to forget you
not ever just as long as i left you
your my baby, you
never made it through to you

if i were the last girl
and you were the last boy
left here on this planet

if there was an earth quake
maybe then youd love
maybe then youd love me
last girl
and you were the last boy
left here on this planet
if there was an earthquake
maybe then youd love maybe then youd love me
if there was an earthquake

what if i were to leave you ...

last girl
and you were the last boy
left here on this planet
if there was an earthquake
maybe then youd love maybe then youd love me
if there was an earthquake
