

Lady GaGa "Electric Chapel"

Visit "[Electric Chapel](#)" on MotoLyrics.com

My body is sanctuary
My blood is pure

Doot doo doo
Doot doot doo doo

You want me bad
I think you're cool
But I'm not sure

Doot doo doo
Doot doot doo doo

Follow me
Don't me such a holy fool
Follow me
I need something more from you
It's not about sex or champagne
You holy fool

Doot doo doo
Doot doot doo doo

If you want me
Meet me at electric chapel
If you want me
Meet me at electric chapel
If you want to steal my heart away
Meet me, meet me baby in a safe place
Come on, meet me in electric chapel

Confess to me where you have been
Next to the bar

Doot doo doo
Doot doot doo doo

Pray for your sins
Right under the glass disco ball

Doot doo doo
Doot doot doo doo

Follow me
Don't me such a holy fool
Follow me
I need something sacred from you
Together we'll find a way
To make a pure love work and a dirty way

If you want me
Meet me at electric chapel
If you want me
Meet me at electric chapel
If you wanna steal my heart away
Meet me, meet me baby in a safe place
Come on, meet me in electric chapel

Meet me meet me
Meet me meet me
Meet me meet me

If you want me
Meet me at electric chapel
If you want me
Meet me at electric chapel
If you wanna steal my heart away
Meet me, meet me baby in a safe place
Come on, meet me in electric chapel

Meet me meet me
Meet me meet me
Meet me meet me
