Everybody just clap your hands
just clap your hands and have a ball yah

...

Everybody just clap your hands
..and have a ball yah (clap yours hands)
Everybody just clap your hands
and have a ball yah

I've been looking
been trying
Continuously seeking
and searching and burning
explore and then hunting
...and everywhere..
For that powerful fountain
The fountain of the truth

No answer at all
in the streets or the mall
I saw at the auction
That raging emotion
Nothing is stable
I'm really not able
to find that powerful fountain,
The fountain of the truth

(RAP by Melle)

I've been looking
been trying and ...
Continuously seeking
and searching and burning
explore and then hunting

...

For that powerful fountain
The fountain of the truth
No answer at all
in the streets or the mall
auction
emotion
Nothing is stable

I'm really not able
to find that powerful fountain
The fountain of the truth

(RAP by Melle)

I've looking the city
.. mountain of well..
mountain of ...

Nothing is stable
I'm really not able
to find that powerful fountain
The fountain of the truth

Everybody just clap your hands
Everybody just clap your hands
... and have a ball yah

The fountain of the truth
