We had our night
Our real nature,
No more time to decide,
Let it climb, let it ignite

I can be cool
I can be anything
I'll be your everything
Just touch me baby

Hooker
Hooker
Government Hooker

(that girl better turn around)
(get her on the ground)
(that girl better turn around)
(get down)

Government Hooker, hooker
She wrote her heart prayer
Pull the trigger off
And shape sounds of her sister

I'm gonna drink my tears tonight
I'm gonna drink my tears and cry
'Cause I know you love me baby

Government Hooker, Hooker,
Heart to heart prayer,
She faked pulling the trigger
Daddy, mommy has made a crigger

Hooker
Hooker
Government Hooker

(that girl better turn around)
(get her on the ground)
(that girl better turn around)
(get down)

I'm gonna drink my tears tonight
I'm gonna drink my tears and cry
'Cause I know you love me baby

Put your hands on me
John F. Kennedy
I'll make you squeal baby

Love, Love
The placenta you were born
And now you strove
The sex is good, invite your mates

Government Hooker, hooker
She wrote her heart prayer
Pull the trigger off
And shape sounds of her sister

I'm gonna drink my tears tonight
I'm gonna drink my tears and cry
'Cause I know you love me baby
