I want your whiskey mouth  
All over my blonde south  
Red wine and cheap perfume  
And a filthy shout

Tonight bring all your friends  
Because a group does it better  
Why river with a pair  
Let's have a full house of leather

Ooh-ooh-ooh-who-who  
Who-who-who ooh-who-who  
Who who  
Heavy metal lover  
Ooh-ooh-ooh-who-who  
Who-who-who ooh-who-who  
Who who  
Heavy metal lover

Dirty pony I can't wait to hose you down  
You've got to earn your leather in this part of town

Dirty pearls and a patch for all the Rivington Rebels  
Let's raise hell in the streets drink beer and get into trouble

I could be your girl girl girl girl girl girl  
But would you love me  
If I ruled the world world world?

Whip me slap me, punk funk  
New York clubbers, bump drunk  
Budlite liquors, bar slam  
Move it, this is your jam  
Wash the night, with St. Jameson  
Like, a baptism  
Heavy metal lovers player  
Because we were born this way
