We can be strong, we can be strong
Out on this lonely road, on the road to love
We can be strong, we can be strong
Follow that unicorn on the road to love

Run, run with it
Run, run with it
Run, run with it
Run, run with it

Run, run with it
Run, run with it
Run, run with it
Run, run with it

Run, run with the top down, baby, she flies
Run, run with the fury of the saint in her eyes
Run, run, hide your cha-cha, baby, she goes
With blond hair and a gun smoking under her toes

Ride, ride, pony, ride, ride
Ride, ride, pony, tonight

We can be strong, we can be strong
Out on this lonely road, on the road to love
We can be strong, we can be strong
Follow that unicorn on the road to love

I'm on the road, I'm on the road to love
I'm on the road, I'm on the road to love

She's just an American riding a dream
And she's got rainbow syrup in her heart that she
bleeds
She don't care if your papers or your love is the law
She's a free soul burning roads with the flag in her bra

Ride, ride, pony, ride, ride
Ride, ride, pony, tonight

We can be strong, we can be strong
Out on this lonely road, on the road to love

We can be strong, we can be strong
Follow that unicorn on the road to love

I'm on the road, I'm on the road to love
I'm on the road, I'm on the road to love

Get your hot rods ready to rumble
'Cause we're gonna fall in love tonight
Get your hot rods ready to rumble
'Cause we're gonna drink until we die

Get your hot rods ready to rumble
'Cause we're gonna fall in love tonight
Get your hot rods ready to rumble
'Cause we're gonna drink until we die

Die, die, die, die, die, die, die, die, die
Die, die, die, die, die, die, die, die, die
Die, die, die, die, die, die, die, die, die
