I know I'm just the average girl
Doesn't matter but i live in a futuristic world
But I think I can use a life with you

CHORUS :

She is a hooker on a street corner,
The stars shine on me and you
Telling me we're meant to be
But I know we're meant to be
Your so perfect for a girl like me
Me and you are suppose to be together, cuz I'm you
hooker on a street corner (street corner)
baby, I'll make you so much warmer (warmer)
I'm your hooker on a street corner

I can't say I hate you
I can say I love you
You can't say you love me
Why try hooking up with you

CHORUS :

She is a hooker on a street corner,
The stars shine on me and you
Telling me we're meant to be
But I know we're meant to be
Your so perfect for a girl like me
Me and you are suppose to be together, cuz I'm you
hooker on a street corner (street corner)
baby, I'll make you so much warmer (warmer)
I'm your hooker on a street corner

Bridge:

What is love (love)
Oh baby, don't hurt me (oh no)
Don't hurt me no more
Oh, baby don't hurt me
Don't hurt me no more (Oh no)

CHORUS :

She is a hooker on a street corner,
The stars shine on me and you
Telling me we're meant to be
But I know we're meant to be

Your so perfect for a girl like me
Me and you are suppose to be together, cuz I'm you
hooker on a street corner (street corner)
baby, I'll make you so much warmer (warmer)
I'm your hooker on a street corner

She is a hooker on a street corner,
The stars shine on me and you
Telling me we're meant to be
But I know we're meant to be
Your so perfect for a girl like me
Me and you are suppose to be together, cuz I'm you
hooker on a street corner (street corner)
baby, I'll make you so much warmer (warmer)
I'm your hooker on a street corner

Outro:

I'm your hooker on a street corner, boy I've always
wanted to make you warmer.
