Judas,  
You never ever never  
ever really ever loved me more, than I  
but Nemesis is watching over-high  
and this is your time,  
Judas,  
lie on lie, write and cry  
the echo truth killed you so you may finally die

Master Judas,  
My Judas you're all mine  
I spent my nights healing from your damaging bites

My Judas,  
My Judas, you'll be fine  
I slept over your hard stoned shoulder  
I domestic flighted for you, baby  
murdered as you might find me cooler, honey

I'm just a holy fool, oh baby he's so cruel,  
he's the one who will make me a liar,  
make my speech nothing worth  
but I'm still in love with Judas, Baby  
I'm still in love with master Judas, Baby

Jude If my love is a sin, if no man seems to fit

As I trust the world, to put me back on feet

I'm just a holy fool, oh baby he's so cruel,  
he's the one who will make me a liar,  
and make my speech nothing worth  
but I'm still in love with Judas, since his birth  
I'm still in love with Judas, Oh Judas  
you bring me mirth

Jude If my love is a sin, if no man seems to fit  
As I trust the LORD, he'll put me back on ship  
is it the shoe heel or the size of my feet

I'm just a holy fool, oh baby he's so cruel,  
he's the one who will make me a liar,

and make my speech nothing worth  
but I'm still in love with Judas, Baby  
I'm still in love with Judas, Baby

Jude I promised you, I won't bother you  
As I crossed my fingers back from North  
I'm still in love with Judas, Oh Judas  
you bring me mirth
