Hey babe,
I'm feelin' something kinda crazy.
I know that we got something special, boy.
But lately I've been feelin' naughtier,
than usual
(You see I)

I need a love thats crazy don't you see?
I'm looking for someone that can handle me.
Need a fire so hot that it burns me so.
I'm sorry when I mention that I did not know.
You and me were kind of in complete.
Need someone to say they love me.

Give it up
Put it up
Not enough
Not enough
Not enough
I need it

Out of control
Give it up just let your body
out of control,
Give it up just let your body
out of control,
Give it up just let your body
out of control,
Give it up just let your body
out of control,
Give it up just let your body
out of control,
Give it up just let your body
out of control,
Give it up just let your body
out of control,
Give it up just let your body
out of control,
Give it up just let your body
out of control,
