midnight rush with a pen in my hand  
Inkin Lincoln sand-script with a fan  
remembering me before it began  
sometimes i felt so def in the jam  
but the ones who loved me told me to stop  
like homegirl cant catch shit if it drops  
a superwoman chick you know that i am  
some shit dont fly by me in a man

cuz i do not accept any less than someone  
just as real,as fabulous

dont want no paper gangsta  
wont sign away my life to  
someone whose got the flavor  
but dont have no follow through-  
dont want no paper gangsta  
wont sign no monkey papers  
i dont do funny business  
not interested in fakers  
dont want no paper gangsta  
Uh oh  
dont want no paper gangsta  
Uh Oh  
dont want no paper gansa

Got something really shiny to start  
want me to sign there on your range rover heart  
ive heard it before yeah the dinners were nice  
till you diamond words melted in to some ice  
you should have been rapping to the beat of my song  
mr. california paper gansta and I'm  
looking for love not an empty page  
full of stuff that means nothing but "you've been  
played"  
cuz i do not accept any less than someone just as real  
as fabulous
