I'm callin' because i need you.
You know I need you so despretly
You know how bad I can get
And you know how good I can be
I'm callin' just to tell you get here and I'll make it all
worth
Your while
I can make ya' some food

I've got Nothing On But The Radio
and I've got nothing on for tonight
I've got nothing on but the radio
And I'm tuning to the station tonight with you tonight

When you get here oh we can dance our hands in the
back pocket of your new jeans
I've turned the lights down low
And I've got Nothing On But The Radio

(Music Break)

I've got no friends
I'm my own Queen
but Living On The Radio That's My Dream
Stone mirrors
Lonely hearts
But Living On Living On The Radio that's where I can
dream

Living On
Living On
Living On
Living On
Living On
Living On
Living On
Living On The Radio
Tonight Oh Oh

Baby you must believe when I got so many little
monsters yeah

Fancy caviar, champagne, cigarettes and things
I will be alright honey
Because I'm Living On The Radio
