Baby you've got a lot of questions
You better listen up please
I wanna know what you want and need
To charge up your batteries

You got the flow and the intentions
Boy but have you got the miles
Show me that you've got the ammunition
That you'll be here for a while, for a while, for a while

Charge it up because ba-by you could be mine
I need a real soldat
I need you to reload it
Bring it reloaded

Charge it up cause babe you're one of a kind
I need a real soldat
I need you to reload it
Bring it reloaded

Reloaded, Loaded
Lo-oaded, Lo-oaded
Reloaded, Loaded
Relo-oa-de-ed, Lo-oa-de-ed

Reloaded, Loaded
Lo-oaded, Lo-oaded
Reloaded, Lo-oaded
Relo-oa-de-ed, Lo-oa-de-ed

You had better rest up your energy
You better reserve yourself
Cause tonight I'm expecting to get plenty
And I wont do it myself

Conserve your juices cause I'm gonna
Take you on a marathon
I'm not ridiculous I'm just a girl
Who likes a man who can go long, can go long , can go long

Charge it up because ba-by you could be mine

I need a real soldat
I need you to reload it
Bring it reloaded

Charge it up cause babe you're one of a kind
Baby you've got a lot of questions
You better listen up please
I wanna know what you want and need
To charge up your batteries
