We can be strong, we can be strong  
Out on this lonely road, on the road to love  
We can be strong, we can be strong  
Follow that unicorn on the road to love

Run, run with her- (x7)

Run, run with her top down baby, she flies  
Run, run with the fury of the saint in her eyes  
Run, run hide your cha-cha, baby she goes  
With blonde hair and a gun smoking under her toes

Ride, ride, pony, ride, ride  
Ride, ride, pony, tonight

We can be strong, we can be strong  
Out on this lonely road, on the road to love  
We can be strong, we can be strong  
Follow that unicorn on the road to love

I'm on the road, I'm on the road to love

I'm on the road, I'm on the road to love

She's just an American riding a dream  
And she's got rainbow syrup in her heart that she  
bleeds  
They don't care if your papers or your love is the law  
She's a free soul burning roads with the flag in her bra

Ride, ride, pony, ride, ride  
Ride, ride, pony, tonight

We can be strong, we can be strong  
Out on this lonely road, on the road to love  
We can be strong, we can be strong  
Follow that unicorn on the road to love

I'm on the road, I'm on the road to love  
I'm on the road, I'm on the road to love

Get your hot rods ready to rumble 'cuz we're gonna fall

in love tonight  
Get your hot rods ready to rumble 'cuz we're gonna  
drink until we die  
Get your hot rods ready to rumble 'cuz we're gonna fall  
in love tonight  
Get your hot rods ready to rumble 'cuz we're gonna  
drink until we die
