Ow, come here boy

I met a drummer last week  
I pulled ... down  
With ...  
I want you more

He cried, "Mother! What'd you do to me?"  
I said, "Mother mother mother's for babies  
Call me kitty."

Yeah

Shake your kitty  
Shake your kitty (meow)  
Put your arms around me, babe  
I'm giving you permission to feel me

Shake your kitty  
Shake your kitty (meow)  
Put your arms around me, babe  
I'm giving you permission to feel me

Shake your shake  
Shake shake  
Shake your sh-shake  
Shake it, shake it  
Shake it, shake it  
Shake it, shake

I took a drummer by the hand  
To the choke ... then  
We hit the floor  
With your ... pin  
And your dark side burns  
I want you more

He cried, "Mother! What'd you do to me?"  
I said, "Mother mother mother's for babies  
Call me kitty."

Oh, why dontcha

Shake your kitty  
Shake your kitty (meow)  
Put your arms around me, babe  
I'm giving you permission to feel me

Shake your kitty  
Shake your kitty (meow)  
Put your arms around me, babe  
I'm giving you permission to feel me

You'll never call me by my name  
But I still want you  
You play some pretty tricky games  
But I still want you  
Your best friend drives a fancy car  
But I still want you  
You're working every hour  
But, but I still want you yeah!

If you see a girl this pretty  
Shake her, shake her, shake her kitty  
When you see a girl that's pretty  
Shake it, shake it, shake that kitty

Shake your kitty (meow)  
Put your arms around me, babe  
I'm giving you permission to feel me

Shake your kitty  
Why don't you  
Shake your kitty (meow)  
Put your arms around me, babe  
I'm giving you permission to feel me

When you see a girl this pretty  
Shake her, shake her, shake her kitty  
When you see a girl that's pretty  
Shake your, shake your, shake that kitty

Shake your shake  
Shake it, shake it  
Shake it, shake it  
Shake it, shake
