Oh Yeah!

You make me feel so pretty

When I'm not feeling so cool today

Yeah you pull me out

When you know that I'm afraid

Something about you

It dries up every tear in my way

And when I trip myself on the sidewalk

You put my boots back on me babe

Cause your my cowboy your my everything

And you know how to get me

Sometimes I'm feeling up sometimes I'm down

You lift my feet up off the ground

Sometimes I'm moving fast sometimes I'm slow

You know where to make me go

Sometimes I am the happy girl you love

Sometimes I dont feel good enough

Sometimes sometimes oh

Your there when i need you

Sometimes uh oh uh oh

When I need you

Sometimes uh oh uh oh

I ask myself this question

About you that i can not explain

How you ride with me
When you know that I'm to blame
You've proved your love I
Dont need to hear the words that you say
But i know you say them anyway
Just to keep me feeling safe
As my worries become a yesterday
Baby you get me
Sometimes I'm feeling up sometimes I'm down
You lift my feet up off the ground
Sometimes I'm moving fast sometimes I'm slow
You know where to make me go
Sometimes I am the happy girl you love
Sometimes I dont feel good enough
Sometimes sometimes oh
Your there when i need you
Sometimes uh oh uh oh
When I need you
Sometimes uh oh uh oh
And my worries become a yesterday
Cause baby you know I'm...
