Ohhh you make me feel like
The only one in de world
In our relationship haha it's
Funny that were taking it slow.

(Corus)

Take it slow, takin it slow
Baby it's best if
You talk that talk
To me I'll love it
When you talk that love.

Reverse the track, reverse de track
No complaing about sh!
Don't give a damm
If we were in love
I'll fall in your arms
I love it when you talk to me

(Corus)

Take it slow, takin it slow
Babu it's besy if you
Talk that talk to me
I'll love it when
You talk that love

Don't forget me at all
Your in my heart
So when were old and gone
You'll be wiv me all de time
