last week i saw you out
and i knew we would be a match in heaven
just the coolest kind of team

i i know there ain't now way that we won't
cuz we won't stop till we go
go the distance we're a distance
baby i believe it
i still believe it
and you know won't be defeated
in my heart i believe it yeah
you and me are gonna win it

baby i'm gonna take you out, take you out ,take you out
we're gonna show this town what i know we're about
shoot it run it what's it called ?
everybody loves it , football.
shoot it run it what's it called ?
everybody loves it,football.

i've got the feeling that this year could be the one
we're gonna tear it up and burn out everyone
i i know there ain't now way that we won't
cuz we won't stop till we go
go the distance we're a distance
baby i believe it
i still believe it
and you know won't be defeated
in my heart i believe it yeah
you and me are gonna win it

baby i'm gonna take you out, take you out ,take you out
we're gonna show this town what i know we're about
(shoot it run it what's it called ?
everybody loves it , football.) x4

(i still believe it
and you know won't be defeated
