Don't be scared, I've done this before
Show me your teeth
Show me your teeth
Show me your teeth

Don't want no money
(Want your money)
That shit's ugly
Just want your sex
(Want your sex)

Take a bite of my bad girl meat
(Bad girl meat)
Take a bite of me
(Show me your teeth)
Let me see, you're mean

Got no direction
(No direction)
I need direction
Just got my vamp
(Got my vamp)

Take a bite of my bad girl meat
(Bad girl meat)
Take a bit of me, boy
(Show me your teeth)
The truth is sexy

Tell me something that'll save me
I need a man who makes me alright
(Man who makes me alright)
(Just tell me that it's alright)
Tell me something that'll change me
I'm gonna love you with my hands tied

Show me your teeth
Just tell me when
(Show me your teeth)
Open your mouth, boy
(Show me your teeth)
Show me what ya got

(Show me your teeth, teeth, teeth, teeth)

Got no salvation
(No salvation)
Got no salvation
Got nor religion
(No religion)
My religion is you

Take a bite of my bad girl meat
(Bad girl meat)
Take a bit of me, boy
(Show me your teeth)
I'm a tough bitch

Got my addictions
(My addictions)
And I love to fix 'em
(And I love to fix 'em)
No one's perfect

Take a bite of my bad girl meat
(Bad girl meat)
Take a bit of me, boy
(Show me your teeth)
I just need a little guidance

Tell me something that'll save me
I need a man who makes me alright
(Man who makes me alright)
(Just tell me that it's alright)

Tell me something that'll change me
I'm gonna love you with my hands tied

Show me your teeth
Just tell me when
(Show me your teeth)
Open your mouth boy
(Show me your teeth)
Show me what ya got
(Show me your teeth, teeth, teeth, teeth, teeth)

Show me your teeth
My religion is you
My religion is you

Help, need a man now show me your fangs
Help, need a man now show me your fangs
(My religion is you)
Help, need a man now show me your fangs

Help, need a man now show me your fangs

Help, need a man now show me your fangs
