if i fell in love with you,  
would you understand me dear,  
love is weird.  
i colored you a valentine,  
struggled just to stay inside the lines,  
i loose my mind.

i really can't believe  
i lost myself again

looking for something crazy  
beautiful nothing  
now I'm talking in circles again  
let me know baby are you hungry  
for wonderful cause i am  
wonderful cause i am

i wrote a song about your eyes,  
ate a slice of cherry pie,  
i cried all night.  
on a bench inside the park,  
I'll kiss you slowly in the dark,  
I'll never stop.

i really can't believe  
i lost myself again

looking for something crazy  
beautiful nothing

now I'm talking in circles again (oh-oh-oh)  
let me know baby are you hungry  
for wonderful cause i am  
wonderful cause i am

baby take me for a ride  
MAYBE get a little high  
in a place we've never been  
time is nothing but a line  
we'd leave everything behind  
it'd be so wonderful  
wonderful

looking for something crazy  
beautiful nothing  
now I'm talking in circles again (oh-oh-oh)  
let me know baby are you hungry  
for wonderful cause i am  
wonderful cause i am

wonderful i am, i am, i am,  
i'm sayin it for you.

I am, i am you know how wonderful i am  
wonderful i am  
wonderful i...am
