Won't you take me down white rose parade
My names mr. blue and I'm calm like rage
Black crows barking at my feet
That black eyed dog wont let me sleep

Blue just killed a man then put a pistol to my head
In the calm of the storm he looked me in the eye and
said
You better run boy like the river flows
You better rock like the devil rolls

Or you'll sleep, yeah, where no shadow falls

Or you'll sleep, yeah, in the eye of a storm

Won't you take me down that yellow brick road
Where all them broken tin soldiers go
Black crows barking at my door
That black eyed dog said I'm goin to hell

Oh, you'll sleep, yeah, where no shadow falls
Oh, you'll sleep, yeah, in the eye of a storm
