Malinconia  
Iâ'm here with you...  
You can't hear my call,  
Only shadows in my soul...

O Dea mia,  
So far from you...  
Sweet as thousand-million tears (I feel so lonely)  
Insecure beneath my fears...

Solitudine,  
Sento piangere...  
Solitudine,

Un vuoto dentro me...

Medusa mia  
Iâ'm here with you...  
If I look your eyes are sad (you feel so lonely)  
Tell me why Iâ'm going mad...

You're not with me...

Solitudine,  
Mi sento piangere...  
Solitudine,  
Un vuoto dentro me...
