I Can Fly I Really Can Wave Good-bye Familiar Land  
Catch the Wind Make My Climb Breathin in Born Again  
Feelin Fine

I Can Fly Above Distress I Can Fly to Heaven no Less  
Leave the Earth Forget the Time Light As Air I Don't  
Care Feelin Fine

Don't Say I'm Crazy Don't Say I'm Out of My Head  
I Might Be Crazy But One Thing's For Certain One  
Thing's For Sure

I Can Fly Above the Sea I Can Fly Hey Look At Me  
Without a Net Leave It Behind  
Feelin Good Feelin Free Feelin So Fine

My Lofty Purchase High Above I'm Losing Sight of You  
I'm Climbing Up Just Like a Kite the Calm Before the  
Storm

When All At Once It Dawned On Me Where I'm Not  
Supposed to Be  
Clouds Are Black the Sky Is Red I'm Where the Angles  
Fear to Tread  
I Feel Like I've Lost My Way

Down and Down and Down I Go I've Lost All Sense of My  
Direction

This Flaming Spitfire Flight Has Come Undone  
Grounding Stages of Rejection I Am Not Worthy to Have  
Even Tried  
Help Me Annihilate This Foolish Pride Where Icarus Died

I Say the Act of My Contrition Be Sure to Bless All  
Before I Die

Save My Seat in the Smoking Section Cut Me Loose and  
Say Good-bye

I Wake Up On the Doctors Table Where Life and Death  
Are Up For Grabs

I'm Comin I'm Comin You Better Shoot Me  
Kill the Pain and Count the Scabs no No no Get Out of  
My Black Dream

Give Me Life Give Me Life I'll Make a Vow  
I'll Resist Temptation I Promise Here and Now  
You See It All Started When I Was Younger They Said I

Was Good  
But I Thought They Said Great  
I Crown Myself the King of Liars I Am What I Have  
Learned to Hate
