### INTRO-

You don't have to have a straight nose, a beautiful smile or a pretty face  
To be beautiful!, god has created us all in his own image, that means we're Perfect!

### VERSE 1-

I wasn't born with a pretty face, I don't have a super model shape,  
Got extra pounds hanging from my waist but I'm beautiful!... so walk with grace.  
I don't have a college degree, my family aint high society,  
Sometimes I'm broke but I know I'm free, I give god thanks for creating me

### CHORUS 1-

I'm not the worlds most prettiest but I turned out fine,  
I thank the lord cos I'm truly blessed,  
I'm a star that always shines,  
You can mark the word, you may not know it yet but my name will live on  
When I resign, cos I'm fi-i-ine, yeah I'm so fine.

### VERSE 2-

I don't look like a beauty queen, not like the girls in a magazine,  
When I smile it's kinda lean but I love myself, if you know what I mean,  
I never been with a movie star, I don't drive me a fancy car,  
I got birthmarks and childhood scars but I don't complain cos I'm good so far!

### CHORUS 2-

I'm not the worlds most prettiest but I turned out fine,  
I thank the lord cos I'm truly blessed,  
I'm a star that always shines,  
You can mark the word, you may not know it yet but my name will live on  
When I resign, cos I'm fi-i-ine, yeah I'm so fine, I'm a

beautiful woman,  
A intriguing woman, a strong, strong woman.

VERSE 3-

I don't always look my best, many days my hair is a  
mess,  
Sometimes my lines I do forget but I'm only human I'm  
not perfect!  
I got problem and a lot of stress, I work hard to be the  
best,  
Many days I need my rest but thank you lord cos I'm so  
blessed.

CHORUS 3-

I'm not the worlds most prettiest but I turned out fine,  
I thank the lord cos I'm truly blessed,  
I'm a star that always shines,  
You can mark the word, you may not know it yet but my  
name will live on  
When I resign, cos I'm fi-i-ine, yeah I'm so fine, You're a  
beautiful woman,  
A intriguing woman, a strong, strong woman.

(Spoken) Love yourself no matter where you from,  
black, white, brown, it doesn't matter  
God has created us in his own image and you need to  
love what god has created.  
Low self esteem? You don't need that! trust me, You're  
all good in his sight  
You're beautiful, alright? so smile and say after me,

CHORUS 4-

I'm not the worlds most prettiest but I turned out fine,  
I thank the lord cos I'm truly blessed,  
I'm a star that always shines,  
You can mark the word, you may not know it yet but my  
name will live on  
When I resign, cos I'm fi-i-ine, yeah I'm so fine,

(Spoken) Give yourself a round of applause, you're  
beautiful inside and out

Repeat CHORUS-

I'm not the worlds most prettiest but I turned out fine,  
I thank the lord cos I'm truly blessed,  
I'm a star that always shines,  
You can mark the word, you may not know it yet but my  
name will live on  
When I resign, cos I'm fi-i-ine, yeah I'm so fine,  
I'm beautiful, I love myself and that makes me such a  
happy woman

MWAH, love yourself!
