I wake up late every morning
managers calling im still yawning
Get up wake up hair and makeups
Waiting for you don't be stalling
This performance is important
I don't think i can put my all in

Hold on i was drunk last night
Now its all kicking in and i don't feel right
Gave my number to a breh who wasn't my type
Now my phones on silent im being polite

Private callers gettin no love from me
Just let me be...

Chorus:

Oh my Gosh my days are getting longer
And theres no turning back I'm working da 9 to 5
Just To keep my contract did I say 9 I meant 1 30
I aint early birdy I'm working da Nine to Five

La, La, La

So you gotta...do...sum...ite... for...channel...u
Channel who sorry who im altered for a snooze
Oh! Channel U da ones dat made me huge
Like Kate Prices boobs
Whoops Im being rude
Wheres my red bull and my sandwich i need food
I cant handle this
Im getting pissed like pampers throwing a tantrum
"Action"
Nah Id actually rather catch my z's and count sheep in
my sleep
Lets not wake her up actually looks quite sweet

Chorus:

Oh my Gosh my days are getting longer
And theres no turning back I'm working da 9 to 5
Just To keep my contract did I say 9 I meant 1 30
I aint early birdy I'm working da Nine to Five

I'm not sure what day just started
Since my working week departed
Ever since our single charted
This pursuit been everlasting
I clocked in bout a year ago
And I haven't clocked out from the studio
Videos and tv shows
Staring out the window on the road
Now there's sometimes we don't get paid
for these rampages on these stages
I know that I won't get jaded
I won't go back to my minimum wages

Chorus:

Oh my Gosh my days are getting longer
And theres no turning back I'm working da 9 to 5
Just To keep my contract did I say 9 I meant 1 30
I aint early birdy I'm working da Nine to Five

Chorus:

Oh my Gosh my days are getting longer
And theres no turning back I'm working da 9 to 5
Just To keep my contract did I say 9 I meant 1 30
I aint early birdy I'm working da Nine to Five
