Okay yo

I wake up late every morning  
Managers calling, I'm still yawning  
Get up, wake up, hair and makeups  
Waiting for you, don't be sawing

This performance is important  
I don't think I can put my all in  
Hold on, I was d\*\*\*\* last night  
It was all kicking in and I don't feel right

Gave my number to a breh who wasn't my type  
Now my phones on silent, I'm being polite  
Now private callers get no love from me  
Just let me be

Oh my gosh  
My days are getting longer  
And there's no turning back  
'Cause I'm working a 9 to 5

Just to keep my contract  
Did I say 9? I meant 1:30  
I ain't no early birdy, I'm lazy that's all that I can say  
So make sure you heard me

And there's no turning back  
'Cause I'm working a 9 to 5

So you gotta do sum item for Channel U  
Channel who sorry who I'm altered for snooze  
Oh, Channel U the ones that made me huge  
Like Katie Prices blem, whoops I'm being rude

Where's my Red Bull and my sandwich?  
I need food, I can't handle this  
I'm getting pissed like pampers throwing a tantrum  
Action

Nah, actually rather catch my Z's  
And count sheep in my sleep

Let's not wake her up  
She actually looks quite sweet

Oh my gosh  
My days are getting longer  
And there's no turning back

'Cause I'm working a 9 to 5

Just to keep my contract  
Did I say 9? I meant 1:30  
I ain't no early birdy, I'm lazy that's all that I can say  
So make sure you heard me

I ain't no early birdy  
Won't wake up till 12:30

Could it be bothered to say much ere?  
So, oh dear  
Huh, where am I man?  
This, this ain't good what's going on?

So my label would change my image  
I'm a pink lipstick chick called dipstick  
This ain't on my wish list  
Oh, s\*\*\* I'm in FHM posing in a bikini

Next to a Lamborghini  
Next stop the theme tune for Tweenies  
I'm presenting C-beebies, have you seen me?  
Never again, am I drinking Lamborghini

It's alright Sov, it's a dream  
Just wake up

Oh my gosh  
My days are getting longer  
And there's no turning back  
'Cause I'm working a 9 to 5

Just to keep my contract  
Did I say 9? I meant 1:30  
I ain't no early birdy, I'm lazy that's all that I can say  
So make sure you heard me

I ain't no early birdy  
Won't wake up to 12:30

And I couldn't be bothered to say much err  
So I'll say it again

Oh my gosh  
My days are getting longer  
And there's no turning back  
'Cause I'm working a 9 to 5

Just to keep my contract  
Did I say 9? I meant 1:30  
I ain't no early birdy, I'm lazy that's all that I can say  
So make sure you heard me
