[Verse 1]

For a second ill be the fashion police and im just  
looking at your garms you been on too many catalogue  
sprees  
With your grannyfied curtain designs, your hurting my  
eyes,  
You really should revise your dress sense before you  
walk on by,  
Im kinda mixed up in this disco inferno,  
Baggy jeans and a tight top, lemonade and pernod  
Im sticking out like a sore thumb but i aint concerned  
though, no, uh oh,oh oh oh (boogie)

[Chorus (repeat 2x)]

Fling on an A D I D A S hoodie and just boogie woogie  
with me  
Ohhhhh...  
Or you can just. put on your dancing shoes and get  
loose  
Can you get loose can you??

[Verse 2]

So i was up in this trendy bar mingling  
My keys around my neck were jingling  
And you was looking at me like it was my bling  
You was staring at me like to say i was ginger  
I was dishing out out the same dirty looks trust me your  
the minger

Errrr, whos she, whos that, whos her??  
The bouncer was approaching me coz i was dressed  
really inappropriately  
No hood, no hats, no this, no that  
Lets rolluh olll uh olll ..(out)

[Chorus (2x)]

Right everybody, if youve got someone who cant dress  
properly, yeah you need to direct them this way.

[Verse 3]

Why not just cut up all your old clothes and make a  
quilt so i can wrap myself up when im feeling cold,  
Why not dash your ugly boots on the fire and burn  
them down to charcoal,  
If your not feeling the way that your bedrin is dressing  
dont be stressing send them in my direcion please,  
Black shoes , white socks, no uhh ohhh  
Polka dots, no uhh ohhh  
Flowery frocks, no uhh ohhh  
Just boogie woogie with me!!!

[Chorus repeat until end]
