

## Lady Sovereign "Guitar"

Visit "[Guitar](#)" on [MotoLyrics.com](http://MotoLyrics.com)

If I could play guitar then I'll play it but I can't  
So I'll just sing it, sing it  
If I could play guitar then I'll play it but I can't  
So I'll just sing it, just sing it

I wrote S O R R Y  
I'm tellin' you that and I don't know why  
Maybe because I was sky high  
And thinking too much about my life

So I turned off the light and I tried to write  
But only bullshit left my mind  
And most of the time I was fine but you're windin' me  
up  
While I'm hard on my grind

When were you born? 1985  
Why didn't you finish school? Because I skied  
Step back, get back, come out of my face, yeah  
I'm just tryin' to live my life

If I could play guitar then I'll play it but I can't  
So I'll just sing it, sing it  
If I could play guitar then I'll play it but I can't  
So I'll just sing it, just sing it

I feel a little tired, I feel like cryin'  
I feel like lyin', I feel like I'm tryin' to do  
What I'm supposed to do today?  
Fuck it

A couple of interviews, a photo shoot  
A show to do, promote new tunes  
Oh, I hate it when I feel this way  
Oh, why do I feel this way? Tell me

Yesterday was a different story  
High and mighty, feeling glory  
Shut down Time Square, know that you saw me  
Felt enormous like twenty stories

If I could play guitar then I'll play it but I can't

So I'll just sing it, sing it  
If I could play guitar then I'll play it but I can't  
So I'll just sing it, just sing it

Today of all days they try to rush me  
Hush puppy, let me do my thing  
I'm not your puppet on a string bruh  
Really?

Now don't get me wrong you silly little punk  
Expect me to walk 'cause I'm not gonna run  
I wish life was as easy as playing the guitar  
Ya just pick it up and ya strum, eh maybe not

If I could play guitar then I'll play it but I can't  
So I'll just sing it, sing it  
If I could play guitar then I'll play it but I can't  
So I'll just sing it, sing it

If I could play guitar then I'll play it but I can't  
So I'll just sing it, sing it  
If I could play guitar then I'll play it but I can't  
So I'll just sing it, just sing it
