See all of this to me was like one big deja-vu,
I remember a coupla months ago when we had the
same views.
Some people hide their knives, but you should hide
your brooms,
Cuz when I get vexed well I kinda stay in this creepy
mood
ding-dong your turnin up on ma doorstep shoutin' like
it's a sing-song,
you dont wanna play around when i got my rings on
why don't you just bounce like you are a ping-pong
and stop actin like a cling-on.
(Bitch, Bitch)

[Chorus]

If you beat your bredrin with a broom n she dont get up
Call the ambulance n tell em that she jus got back up
It's like nee naw bang b-bang, nee naw bang b-bang,
nee naw bang b-bang thats what i sang,
If you beat your bredrin with a broom n she dont get up
Call the ambulance n tell em that she jus got back up
It's like nee naw bang b-bang, nee naw bang b-bang,
nee naw b-b-b-bang thats what i sang.
